EVERYTHING YOU NEED TO KNOW ABOUT

UNITED CENTER VACCINATION SITE

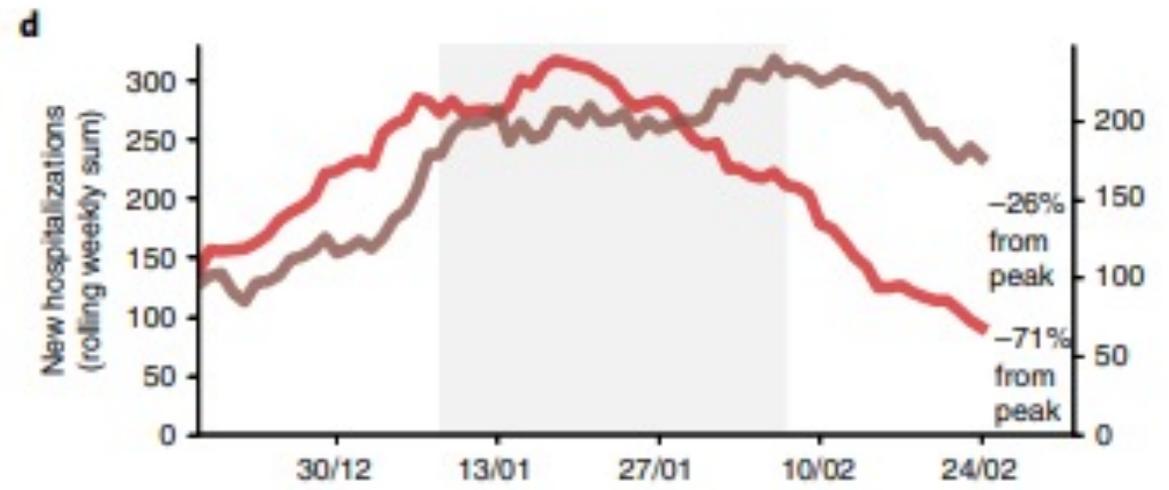

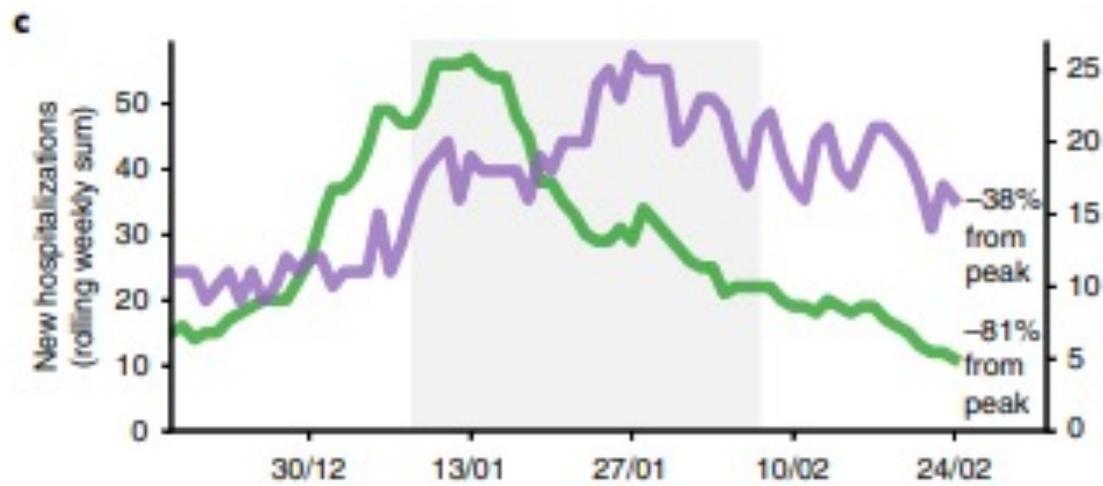

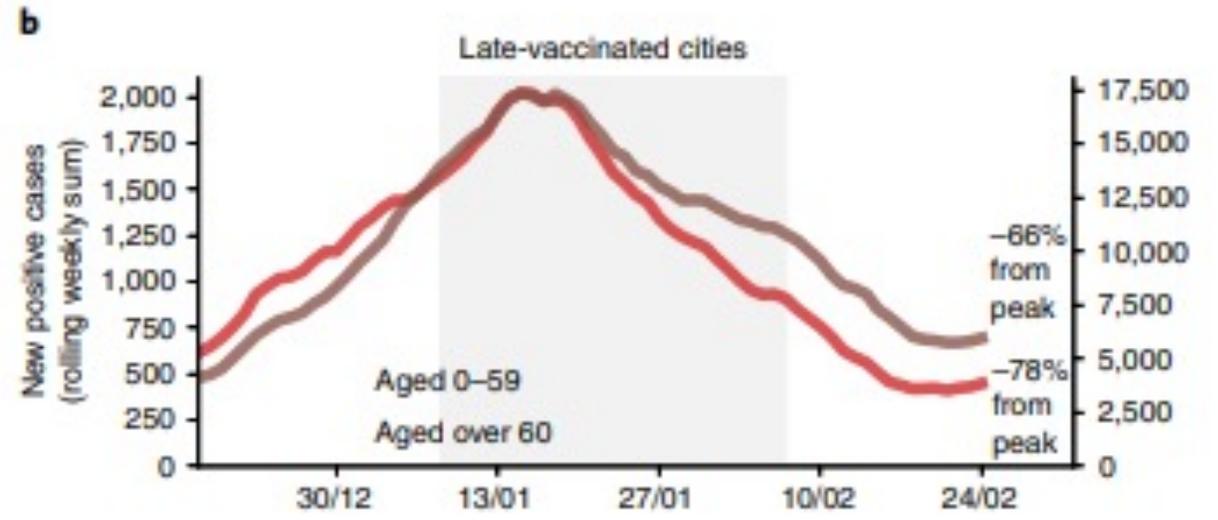

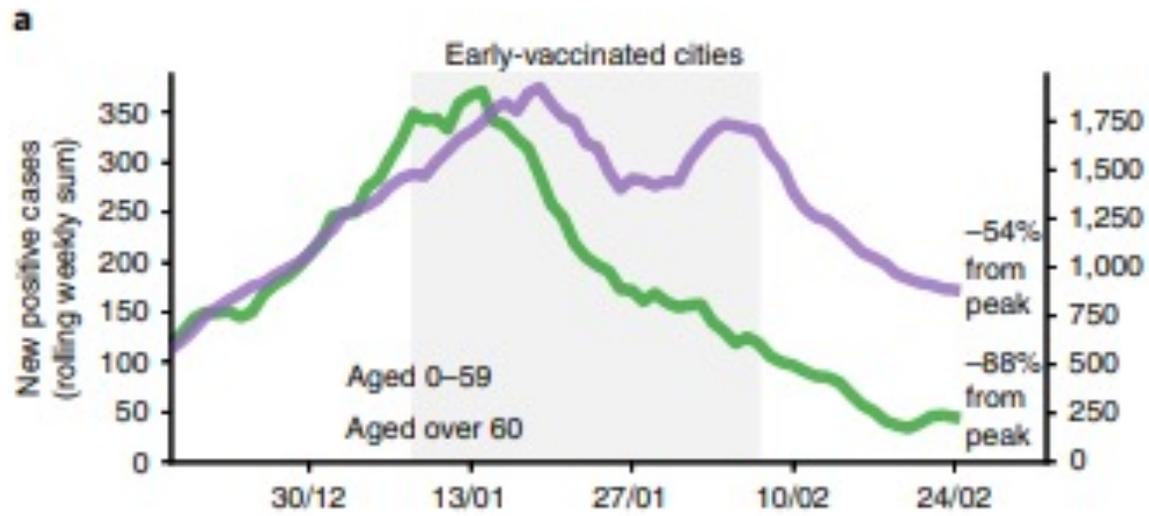

WHEN YOU ARRIVE

- Walk-ins are welcome, though appointments are preferred.
- Everyone under 18 must be accompanied by a parent or legal guardian.

We recommend you visit the washroom prior to checking-in and bring your own water and/or snack if you will need it.

★ Breakthrough Cases (in Vaccinated People)

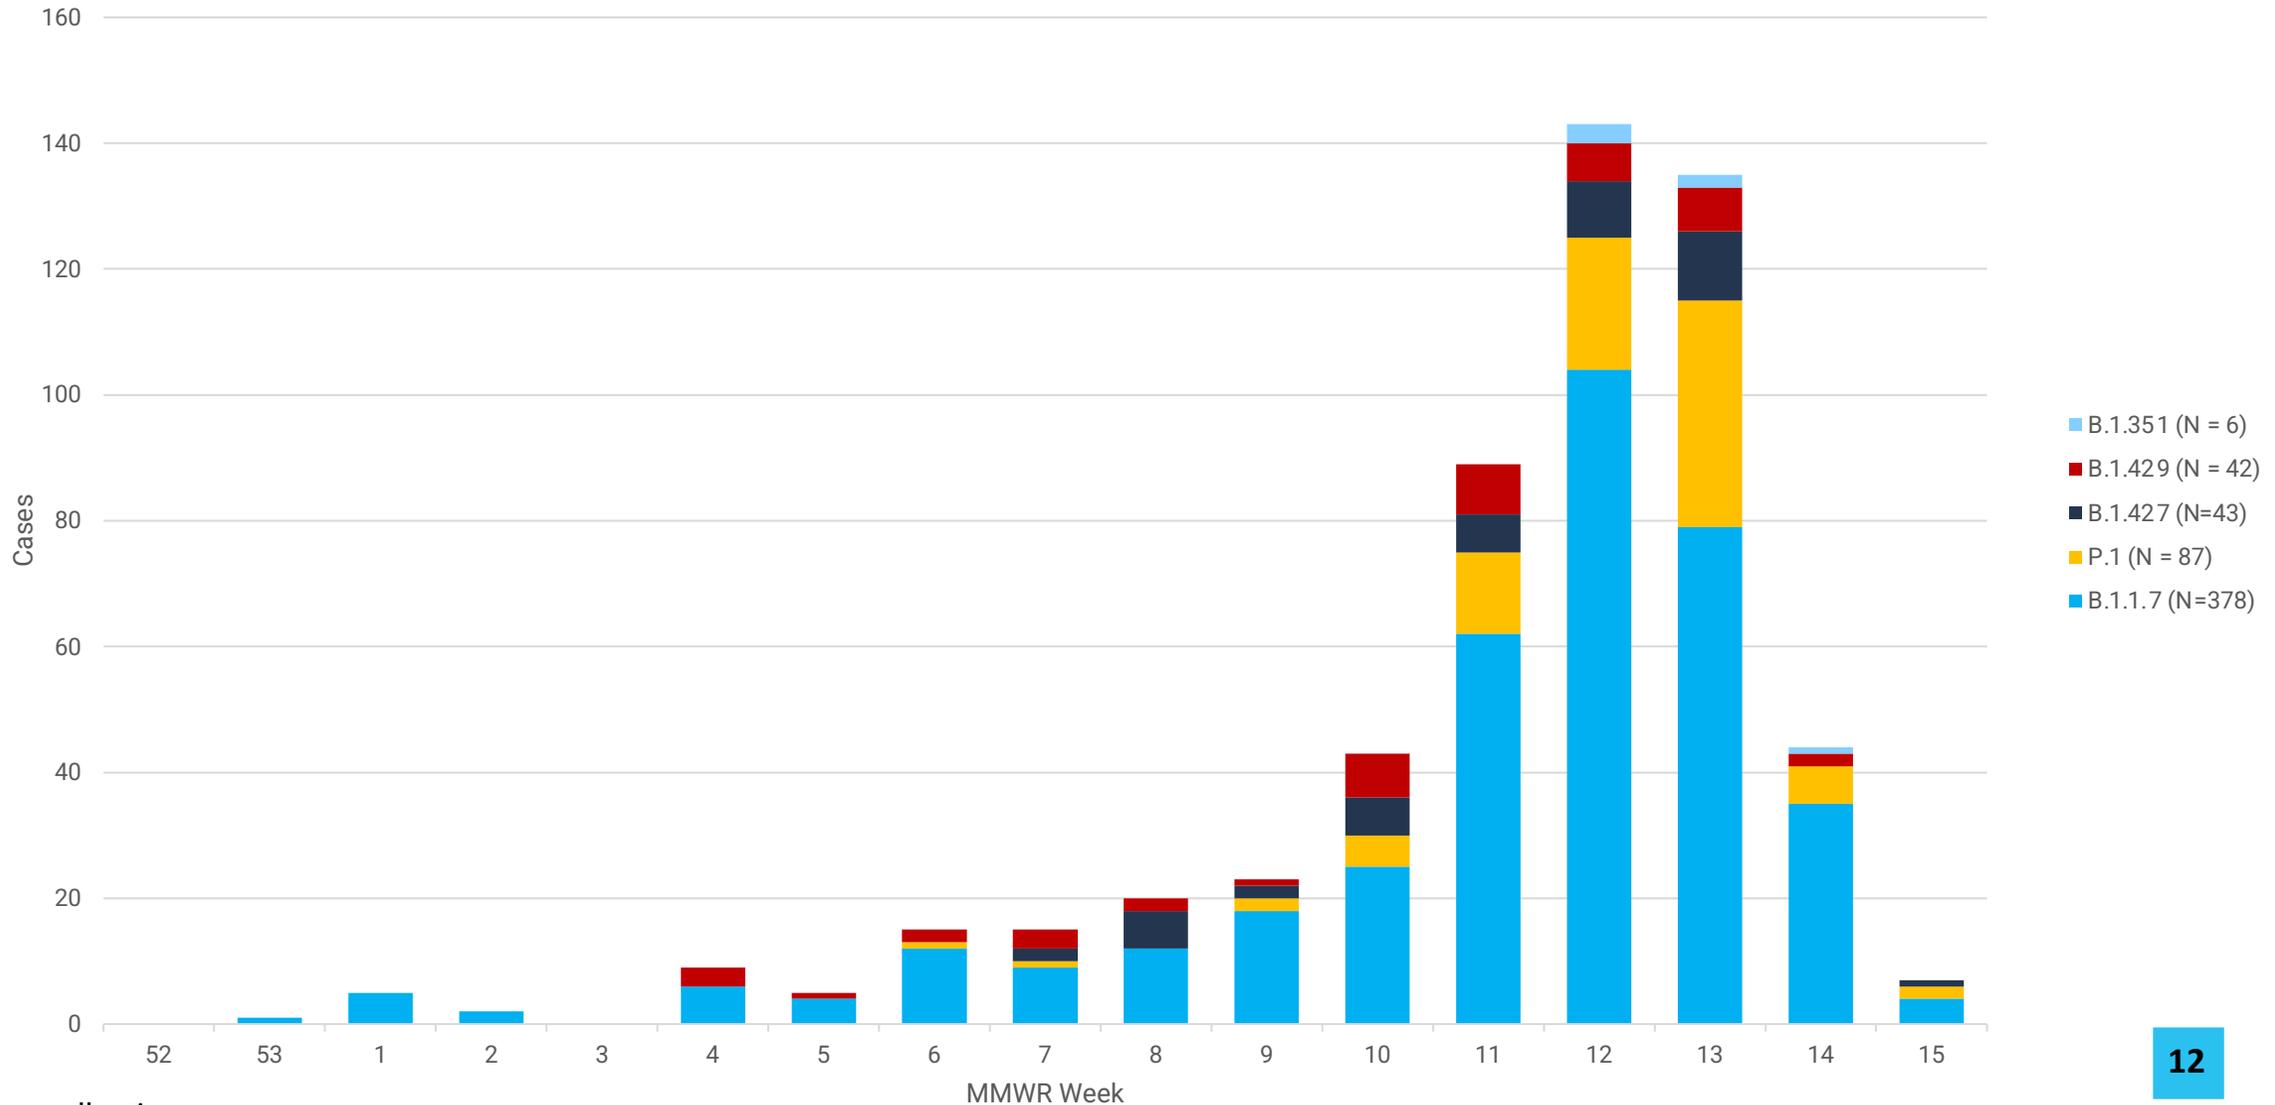

- More than 700,000 Chicagoans have a completed vaccine series
- 468 breakthrough cases identified as of 4/26/21 (0.06% of those with completed series)
 - 48 hospitalizations (cause of hospitalizations still under review; median age: 72y, range 24-97y)
 - 5 deaths (1 in 50s, 2 in 60s, 2 70y+)

Number of Variant of Concern Cases in Illinois and Chicago as of 4/29/2021

Variant Type	Illinois (non-Chicago)	Chicago	Total Count
B.1.1.7	1,619	450	2,069
B.1.351	29	10	39
B.1.427/429	245	105	350
P.1	566	113	679

SARS-CoV-2 variant surveillance* – Emergent Variants of Concern (VOC) identified in Chicago residents

*Date of specimen collection

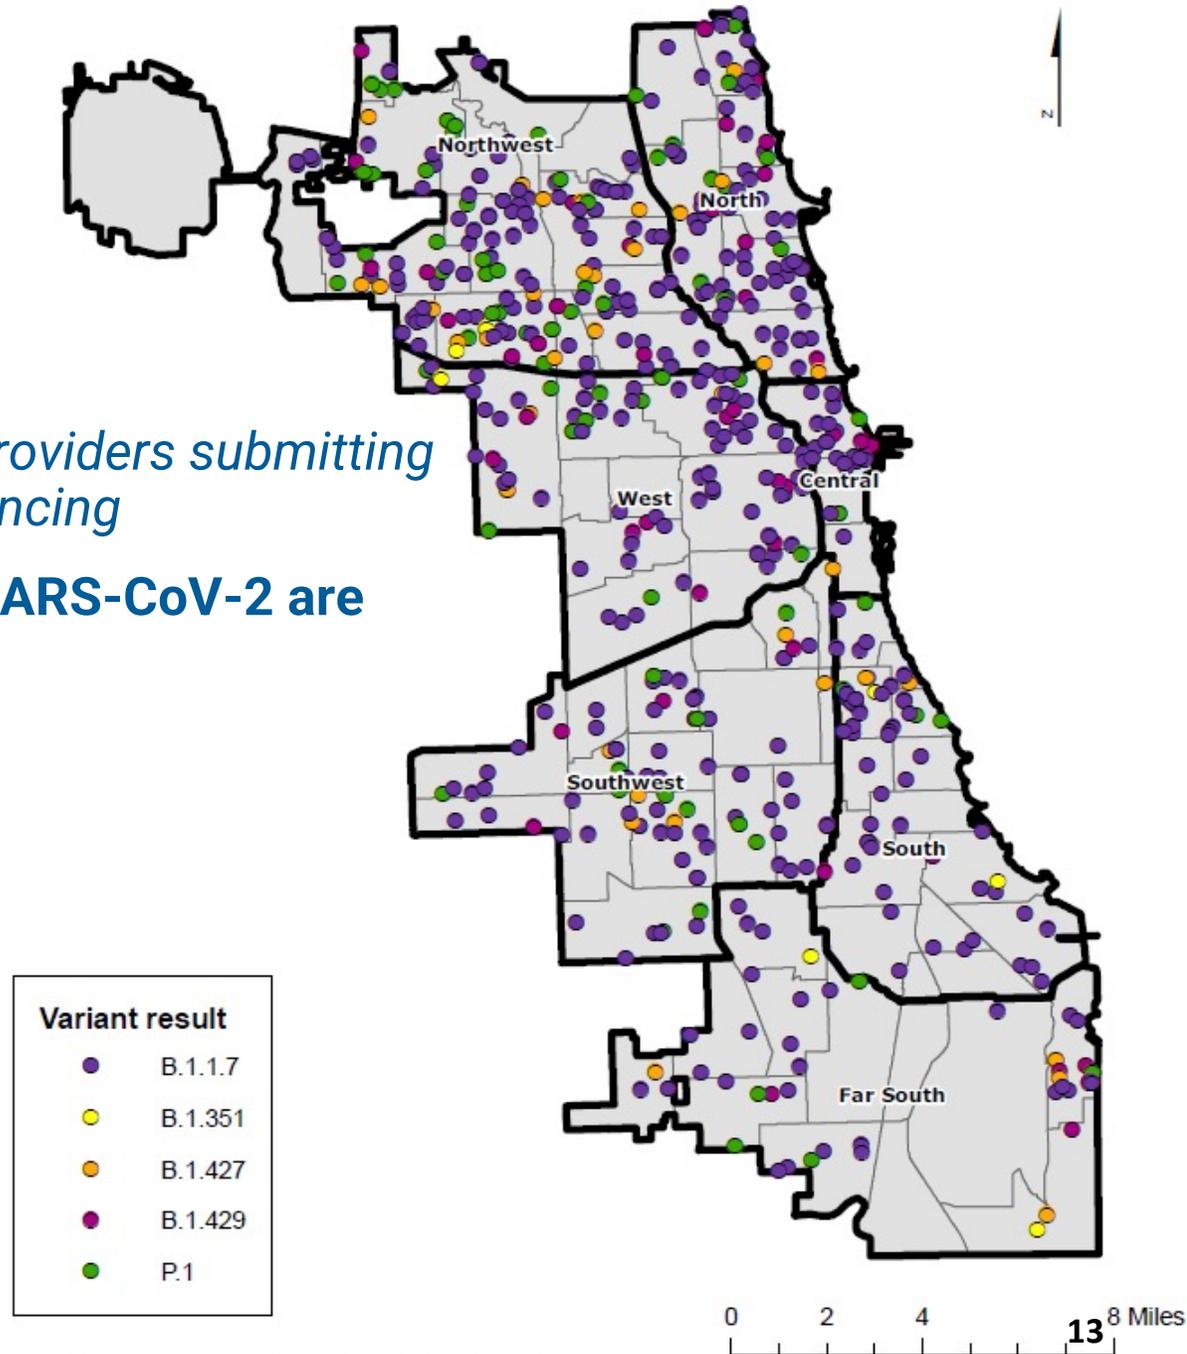

Geographic Distribution of Known Variant Cases

Distribution of variant cases is only a reflection of the providers submitting specimens and laboratories performing genomic sequencing

We do not know the true extent to which variants of SARS-CoV-2 are spreading in Chicago

However, based on investigation of cases, we do know that variants of concern are spreading from person-to-person in our communities
